Local Glider Pilot Wins National Trophy

St. Albert has the distinction of harboring a champion, Dick Mamini, 10 Glenhaven Crescent isn't an ordinary run-of-the-mill champion either, he has just won the Canadian National Gliding Championship following competitions held in Winnipeg, Manitoba from June 25 to July 5. This is the first time a Western Canadian glider pilot has won the Shell Canada trophy. This fact alone makes the victory just that much more meaningful.

Last year Mr. Mamini purchased his factory-built competition sailplane in Britain and flew it in the World Gliding Competition held in Yugoslavia. Out of about 40 entries in the 'Open Class' Mr. Mamini was in the top 16 competitors right

up to the last day of the meet when erratic winds forced him to drop back out of contention.

An aeronautical engineer with the federal government Dick Mamini has held a private pilot's license for over 25 years and has also participated in many gliding

competitions all over Canada over the past years before coming up July 5 with the championship trophy.

Mr. Mamini's sail-plane flying hobby involves the whole family which includes his wife Gale, a real estate saleswoman here in St. Al-

bert with Buxton and their two daughters aged 2 1/2 years and 5. Mrs. Mamini admits that the daughters play a minor role in the overall scheme of things when it comes to gliding. However, both lots have already logged many hours at airfields across Canada.

Peh-Thuk-Soh-Wah-Schels, honorary Chief of the Piegian Tribe is better known to his wide circle of friends in St. Albert as Chester Cunningham. Along with the beautifully fashioned hand sewn war bonnet Chester received the name of a famed Piegian warrior, which translates to Chief Eagle Tail.

St. Albert 'Opens Up' For Centennial Riders

Next Tuesday, July 17, this town will be all spruced-up to welcome the trail-weary riders who left Peace River June 28 and retraced the long and arduous Klondike Trail of '98.

According to plans revealed this week by St. Albert co-ordinator Rolfe Charbonneau, all local ser-

vice clubs have joined together with the Midnight Twilight Tourist Association and the Town to give the RCMP Centennial Riders a warm welcome when they reach St. Albert.

Participating dignitaries, including MLA Ernie Jamison, Mayor Ray Gibson and representatives of the Mid-

night Twilight, Chamber of Commerce, both Lions Clubs as well as St. Albert's popular Kinsmen will ride out to greet the troop up St. Albert Trail and escort the posse into town.

Mr. Charbonneau, beside co-ordinating the event, his wife Doreen who has assisted him all along, have for

a committee the following local stalwarts: Jack Garrett, Supper Lions President; Elmer Harrison, Breakfast Lions President; Barry Welsh, Kinsmen President also Harry Hutchings and Gerry Belke of the Midnight Twilight Tourist Association.

Following a series of meetings, the above committee has come up with a very ambitious program designed to welcome the Centennial Riders and give local citizens an opportunity to participate in a memor-

able local event.

Once the riders have been escorted into town, the tired saddle horses will be put out to pasture for a well-deserved rest while the riders will start their round of celebrations.

A public barbecue, promoted by the two St. Albert Lions Clubs will be held at Lions Park. Price of admission will include a good meal with all the trimmings. Following a hearty meal, presentations will be made

Construction Begins On Oblate Residence

Sod was broken for a new Oblate Residence last week, just east of the present Roman Catholic Rectory up on the hill overlooking St. Albert.

The residence will be three full storeys, built in the shape of an oblong 'v' and designed to accommodate retired priests. According to Oblate officials, the new residence will not be ultra-modern, but will provide dignified and comfortable living quarters for eld-

erly priests who have been in the ministry all their lives . . . veterans of the apostolate.

A Roman Catholic Church spokesman said the present Grandin Home in St. Albert, serving as a senior priest's home, has become so ancient that it does not provide adequate living quarters for elderly priests. Grandin Home was built in 1881 of wood and plaster and it was only about 25 years ago when the old edifice re-

ceived an exterior finish in bricks. "But the old building is still far from adequate," the church spokesman said, "and we had no choice but build a new structure for our veterans."

In an interview with the general contractor's superintendent, Merv Lien of Morin Construction Co. Ltd. it was explained that the Oblate Residence measures 150 feet x 46 feet. The structure will house kitchen space in the ground

floor, also a recreation room, storage, mechanical and a dining area. On the first floor (at ground level) there will be another lounge, a chapel and bedrooms. Up to the second floor there will be another lounge, a chapel and bedrooms. Up to the second floor there will also be another recreation area, a lounge and more bedrooms.

Mr. Lien said the priest's living quarters will all be the same featuring a bedroom, living room including a private study and private bathroom. There are 18 such suites in Oblate Residence. Joining all three levels is an elevator which will double as a passenger and service facility.

A church spokesman was not able to say at this time what the destiny of Grandin Home would be. He did admit, however, that the old edifice will be kept as is until something definite can be worked out. When prompted with the suggestion that it be conserved as an historical site, he admitted that was a possibility.

Mr. Lien of Morin Construction Co. Ltd., was unable to say exactly when Oblate Residence would be completed and ready for occupancy, however, he hinted that if the weatherman cooperated, the new Oblate structure might be completed for occupancy in late December of this year.

Merv Lien, superintendent of Morin Construction Co. Ltd., building the Oblate Residence adjacent to the Roman Catholic Rectory is seen peering through his transit while John Odynski in the background continues digging the footings with the backhoe. The new Oblate House will be overlooking Mission Avenue and is expected to be completed late this year or early in 1974.

Council Approves Qualico Proposal

About mid-August, Qualico Developments Ltd. expect to begin construction of about 125 single family dwellings in the Akinad subdivision, previously referred to as Neighbourhood 10. The Qualico property, comprising of the northern half of the "neighborhood"

will first undergo development in this first stage approved by Council at the regular meeting held Tuesday, July 3.

Difficulty was encountered by Qualico in obtaining a development agreement

June Permits Near \$1 Million Mark

During the month of June \$919,996.00 worth of building permits were issued which brings the total permit value for the first six months of 1973 to \$9.3 million.

Single-family dwelling permits in June numbered only 39, however, the total number of single-family permits for the first half of this year amount to 519. Using the formula of four persons per dwelling, if all these homes were suddenly completed and occupied, St. Albert's population would suddenly swell to 17,164 people. At this rate of growth this town could conceivably reach the 20,000 mark before 1973 comes to a close. So much for projections.

Besides the single-family dwelling permits, 19 other

permits were issued for the construction of private garages and two permits for swimming pools. The pools will be put in at 16 Swallow Crescent and 13 Scarborough Place. Next item of singular importance is a recreation complex at Grandview Ridge primarily designed to serve residents of the condominium located there.

Two commercial permits were issued to Highfield Developments Ltd. presently building on the corner of McKanney Ave., and Mt. Clare Place. The other commercial permit was issued to a Chinese restaurateur who will be opening up soon in the Sturgeon Shopping Plaza.

Grandin Home, presently serving as a residence for retired Roman Catholic priests will soon be upstaged by a new 18-suite Provincial Oblate Residence. Built in 1881, Grandin House has been in constant use all these years and according to a Roman Catholic Church spokesman, plans are being considered to preserve the ancient edifice for posterity.

1945 Menu Proves Good Old Days

Recently, Mrs. Mavis Bauer of 4 Gaylord Place was going through an old trunk when she came upon a menu she acquired while on a holiday in Vancouver, B.C. in August 1945. Mrs. Bauer remembered the happy holiday, especially the good food and the prices. At the time, she hadn't especially paid that much attention to the prices but upon reviewing the 28-year-old

menu and comparing prices with those of today, she immediately phoned The Gazette because that menu is indeed news.

For example, back in 1945 a hamburger steak served with fried onions cost 35 cents and that included soup and dessert. Coffee, tea or milk was five cents extra. For dessert, if you didn't select the dish of the day, like pudding or jelly, then pie went at five cents per cut.

In the 40-cent specials you had the choice of cured ham and cabbage, Canadian pot roast beef, a hot chicken sandwich or fried pork sausage and mashed potatoes.

Breakfast, including ham or bacon and two farm fresh eggs with pan fries, toast and coffee went at 40 cents. Steaks and chops will surely make you drool when you are reminded of those prices: club steak 50 cents; pork chops 50 cents; porterhouse steak (for two) \$1.60 while a fillet mignon went at \$1. On steaks, onions were five cents extra and mushrooms 20 cents.

Those were the good old days.

Londonderry to have touring Art Show

Featured in the California Professional Artists Tour exhibit at Londonderry Mall July 18 thru 21 is actor-painter Harry Lauter. Known to millions of TV watchers as "Clay Morgan" in his series Tales of the Texas Rangers, Lauter has won a series of awards and medals for his mountain scenes and is considered an excellent landscape artist.

Lauter carries easel and brushes to film locations and occupies his time between cameracalls by painting. Just returned from Phillipine Islands shooting star role in "The Evil Eye," a new mystery, actor-painter Harry Lauter can also be seen in episodes of Mission Impossible.

His paintings are characterized by delicacy of expression and great flair, and his paintings hang in museums and libraries throughout the world. His acclaimed masterpiece "The Grande Tetons" hangs in famed Favell Museum of

Western Art in Klamath Falls, Oregon, alongside Russell and Remington.

Mr. Lauter will be on hand in person to greet the public and sign autographs during the California Profes-

sional Artists Tour Exhibit at Londonderry this week.

The show will feature pottery, jewelry makers, watercolour, acrylics, oils, wood sculpture, metal sculpture and photography.

Piegan Tribe Honors Chester Cunningham

A singular honour has been bestowed on Chester Cunningham of Mission Avenue by the Piegan tribe of the Blackfoot Indian Nation, who have made him an honorary Chief.

The ceremony was held during Indian Days at Brocket, nine miles off of Pincher Creek, on June 30. Little Black Horse Society presented Mr. Cunningham as a candidate to the tribe's Medicine Man, Charlie Crow Eagle.

For the ceremony Chester and the Medicine Man knelt on a blanket facing each other, and after touching the candidate on his shoulders, Crow Eagle performed the chants and singing as required under the tradition and ancient ritual. The Medicine Man put the chieftain headdress on Chester. Rising, both men went through the steps of the

ceremonial dance marking the naming of a chief.

A further honour was accorded Mr. Cunningham in the name selected, for he was given the title "Chief Eagle Tail" who had been a renowned Piegan warrior and the father of Crow Eagle. In presenting him with this name, Crow Eagle said it was thought a fitting one to honour Mr. Cunningham, who had also struggled hard for the Piegan tribe and all Indians and had fought for his organization - the Native Counselling Services. He told Chester that in the book "Great Piegan Warrior" he could find a picture of the first Chief Eagle Tail.

The incantation accompanying the presentation of the title said that Chester "Will be blessed in his work - in his comings and goings - and with a long life."

Mr. Cunningham's wife Elzaida and his daughter Rosalie were present for the ceremony. His parents arrived later in the day. Chester was attending a five-day conference in Regina on Criminology and Correction from June 24 - 29 and it was there that he received the invitation to attend the Indian Days.

for the first stage because of many hurdles, not the least of which was school sites and the relocating of a Calgary main transmission line.

Council approved a Qualico proposal which will result in a supplementary assessment levied on homes in Akinsdale to help defray the cost of relocating the Calgary Power 138,000-volt line. The transmission line runs through the entire Akinsdale subdivision.

Another Qualico proposal which council agreed to, involved land dedication. Council agreed to establish a school site for the St. Albert Separate School District, using land previously dedicated for road allowances. Qualico's offer was to make up the land deficiency, lost to the town in the form of an extra dedication in parkland over and above the required 10 per cent.

Council also approved in principle Qualico's subdivision plan for Akinsdale.

the Gazette REFLECTS An Unjustified Increase

It is difficult to justify the budget passed by Town Council and the increase in our mill rate of 2.5 mills.

Let us look at the situation as it was last year when Council prepared to bring down the budget and how it compares to the situation as it was this year.

1. This year the province is paying all hospital and health services. The saving over last year works out at 5 mills, or \$167,000.
 2. Last year the supplementary tax levy was not taken into account when preparing the budget, but when the legislation was passed by the provincial government which permitted this assessment on homes for the part of the year following completion, they levied the tax and thus received an unexpected bonus of \$172,000.
 3. The total assessment figure increased by 8 million dollars this year over last year. This realizes additional revenues of \$550,000 without any increase in the mill rate.
 4. Because of this increased assessment base Council did however drop the mills allocated for debenture debt from 11 to 8 mills. A drop of 3 mills from last year.
- If we choose to look at the situation from this viewpoint it can therefore be seen that before any budget plans were made for 1973 Council was ahead of 1972 revenues by a total of \$992,000.

The new budget raises the mill rate and budgets for a surplus of \$248,000.

Council adopted a budget which will collect revenues of \$3,522,127. They will pay to the two school boards a total of \$1,437,701, to cover the school foundation program (\$1,774,892) and the supplementary requisitions (\$62,809.) of the two boards.

Councillor Bakker proposed that it is allowable under the municipal taxation act to charge to school boards a maximum of 10 per cent for collecting taxes and for providing for uncollected taxes, and that council should use the 10 per cent figure. This proposal was adopted. According to past performance, a realistic percentage would be between one and two per cent to cover the cost of this tax collecting and provision for uncollected taxes service. District No. 3 has protested this action and stated that one-half to one per cent would be adequate.

This proposal does not generate extra revenue in the budget adopted. The manoeuvre does however make the school board appear the culprits when looking at the allocation of the mills in the town budget.

New Hotel Needs A Name

St. Albert's new hotel, presently nearing completion and scheduled to officially open soon, still has

no name and Sam Shapiro is very anxious to receive submissions.

The new hotel must be given a name before the end of July, therefore, readers of The Gazette please put on your thinking caps, submit a suitable name for the new complex before July 31 and get a chance to win \$100. Councillor Bakker defends his proposal on the basis that it will mean an average of \$17 more in homeowner discount payments to about 80 per cent of the homeowners in St. Albert. It will not effect the 20 per cent who are at the maximum of \$216.

Last year the mill rate was 78 mills. Given the situation described this year we suggest it would have been economically sound to reduce the mill rate by 4 mills.

Had the mill rate been struck at 74 mills (61.2 mills less than the rate of 80.5) - the savings realized for the average homeowner in St. Albert would have been \$52 on their tax notice, plus a homeowners rebate.

Remember the developers pay \$500 per lot in St. Albert to assist with services. The provincial government is assisting the town substantially with the new sewer disposal and has further initiated a street program under which the town will benefit by a grant of \$20,000 plus \$20.00 per capita anytime over the next four years.

At next Monday's meeting of Council, Bylaw 23/73 will be rescinded, according to a Town Hall spokesman. Although this bylaw was ratified July 3, a mathematical error was overlooked which renders the bylaw incorrect and subject to correction.

The procedure required is to rescind Bylaw 23/73, authorizing Town Council to levy taxes for various purposes, such as debenture debt charges, municipal purposes and education. Once Bylaw 23/73 is rescinded, a revised bylaw bearing changes and a new number will have to go through the motions of three readings, unanimous consent before being ratified.

Don't forget this bylaw is getting another going-over next Monday at the regular meeting of council. Before it undergoes a revamping and goes through another three readings, Mayor Ray Gibbon and all members of council, may want to hear from you.

Bible Clubs

Backyard Bible Clubs have been launched in various residences in St. Albert under the auspices of the First Baptist Chapel. The one to one-and-a-half hour sessions are designed for grades one to six primarily. One preschool group was started in the Grandview Ridge townhouses to experiment with the attendance response.

An attractive program for children's interests includes songs, Bible stories, contemporary stories as application to today, memory verses, creative activities like handwork, games and refreshments. Large pictures in color serve to illustrate both the Biblical and modern day stories. A registration fee of 25¢ per child is requested.

Pastor Giffin announces that the five current Backyard Bible Clubs are open to all children of the proper

ages, regardless of church preference or affiliation. Flyers were distributed in the neighborhoods most adjacent to the homes of the club hostesses, but, as conditions permit, others may be enrolled by calling 459-3657 or 459-3588 for the information.

Publicity will shortly appear concerning two community-wide Vacation Bible Schools to operate simultaneously in the Leo Nickerson and the Sir George Simpson schools. The VBS's will begin August 8 and are open to the community at large, for ages 14 years down to four years.

A dynamic youth team of 25 mature Christian teenagers will be coming to St. Albert to conduct a five night series of special services in the Assembly Room of the Sir George Simpson School concurrently with the VBS's.

Sailfish swim team has successful weekend meet

On Saturday, July 7 the St. Albert Sailfish Swim Club hosted their fourth annual Invitational Swim Meet and invited teams from Edson, Hinton, Leduc and Lloydminster. Swimmers from the Lloydminster Club were given accommodation by St. Albert parents due to the distance they had to travel.

For a change the weather was co-operative and the meet progressed smoothly under sunny skies. Mrs. Rene Laird, recreational coordinator, brought greetings from the town, and it would be appropriate to mention here the great co-operation received from the town in setting up this meet.

All events were closely contested with St. Albert swimmers usually showing to the fore. However they did not by any means have it all their own way and the Edson Club in particular was very close and indeed at one stage was only five points behind St. Albert eventually retained the Canada Saway Trophy whilst the awards for the two top swimmers, apart from St. Albert, went to two Lloydminster competitors. The girls' trophy was won by L. Saunders,

and the boys by D. Wunder. It was pleasing to see this club winning something and the Sailfish look forward to competing against this team in the near future.

On Sunday 61 St. Albert swimmers travelled to Camrose to take part in the Camrose Invitational Relay Meet to which clubs from Hanna, Innisfail, Ponoka, Wetaskiwin, Leduc and Fort Saskatchewan had also been invited. A relay meet is a real test of a club's overall strength as each event is a relay requiring four swimmers. It speaks well of the St. Albert Club that it was

able to swim a team in every event and in many events both an A and B team were entered. Some swimmers swam as many as five events, which proves their fitness. The St. Albert Club took an early points lead and eventually won with 1,020 points. The nearest team to this was Camrose with 670 points.

The team is now back in full training for meets at Hinton on July 14, and Lloydminster July 22, and on July 28 the Club will swim two teams, one at Leduc and the other at Edson.

Oilers split exhibitions

Edmonton Oilers fastball club split a pair of exhibition games with teams in the Sturgeon Mens Fastball League last week.

Tuesday in Calahoo the local Chiefs scored a close 4 - 3 win over the Oilers with Roger Berube picking up the pitching win. Larry Mitchell had a three-run

home for the Chiefs, and losing pitcher Bruce MacGregor also had a four bagger.

Oilers pulled off an upset Thursday night in St. Albert when they scored a narrow 6 - 4 win over Michaels Catering who have only lost one league game so far this season.

Paul Holowaychuck was the winning pitcher and received homerun support from Al Hamilton. Dick Bird was the losing pitcher.

Local Tennis Teams Lead City Interclub Leagues

Both the St. Albert A and B1 teams are presently league leaders in the Edmonton and District Interclub leagues. Judy Wood, the interclub league director reports the standings as follows: A league - St. Albert 17, Garneau - 13, Glenora 10; B league - St. Albert (1) - 43, Hillcrest (1) - 42, Derrick (1) - 32, Glenora 23, St. Albert (2) - 22, Fort Saskatchewan - 17, Hillcrest (2) - 13, Derrick (2) - 12, Garneau - 12.

The A league is half completed while the B league has completed 7 of 9 rounds. Since the B league playoffs involve four teams from the nine team league it is possible that the B2 team may also be in the playoffs along with the B1 team. There is presently a two week break in interclub play while the city tournament is on and 14 of the local players are competing.

Recent interclub results follow: The A team (Clark Warren, Fred Rudolph, Betty Onksan and Judy Wood) defeated Garneau 6 - 2. The B1 team (Jay Taylor, Peter Miller, Angela Miller and Alexandra Kincaid) defeated Glenora 8 - 0 and Derrick 2 by 8 - 0 also (on the latter occasion the men were Al Hoge and Brian Mansfield.)

The B2 team (Lorne Wood, Bob Green, Anne Kirk and Sandy Warren) suffered an 8 - 0 defeat at the hands of second place Hillcrest, but bounced back the following game to defeat Derrick 2 by 6 - 2 (Joan Green played

for Anne Kirk in this game).

JUNIOR PLAY

Club juniors are reminded of the junior morning each Thursday from 9:30 - 11. Cynthia Sage provides the supervision and coaching and organizes games. This will be conducted all summer as long as the interclub warrants it. Al Hoge the junior co-ordinator, has organized a Junior Interclub league with Hillcrest, Derrick and Garneau and reports that the junior team (Garth Hoge, Bob Gilbertson, Valerie Green and Pam Hill) lost to Hillcrest 7 - 1 but were very enthusiastic and are practicing hard for the next game. The Junior Interclub team is open to all club juniors under 16 years. Al will be playing the top two girls and top two boys on the ladder in each match and urges all interested juniors to get out and challenge those above them. Al is also providing additional coaching for the team juniors.

Nine of the local players took part in a tennis coaches clinic held at the Derrick Club July 4 and 5 (conducted

by prominent coach Ed Barclay) and felt it was very helpful since it gave several new ideas to the St. Albert instructors.

The executive has decided on the dates of August 25 and 26 for the final club tournament. The only restriction (as in past years) is that doubles winners of the past two years may not team up.

The adult novelty doubles for July will be held Wednesday, July 25 at 7 p.m., with a social gathering following.

Fastball

Michaels Catering held on to their first place lead in the Sturgeon Mens Fastball League with a easy 12 - 4 win over Calahoo Chiefs last Wednesday.

Michaels scored five runs in the third inning (all unearned) as Calahoo booted the ball around. Brian Zamiaty and Dale Rix had home runs for the winners and Paul Holywchuck picked up the win.

Roger Berube was the losing pitcher.

Cubs gain berth in Provincials

The Cubs won their third straight St. Albert bantam baseball championship last week, overcoming an 8-0 second inning deficit to defeat the Orioles 9-8 in an extra inning in the sudden-death final.

Orioles had gained a berth in the final by eliminating Cardinals in straight games in the best-of-three semifinal.

Cubs looked like they were going to fade from contention early against Orioles as they committed three errors in the first inning to allow Orioles to take a 3-0 lead.

Orioles got five more runs in the second on three more Cub errors and three solid hits. Dave Shipanoff, who stayed on the mound despite the early heavy going, had to strike out two straight batters to end the second-inning uprising.

The Cub defence tightened after this and without another error enabled Shipanoff to pitch shutout ball the rest of the way. From that point on, only three Orioles managed to get as far as third base.

Meanwhile, Cubs managed to get one run in the third inning, another in the fourth and two in the fifth when Terry Leddy homered with Kenney Gossen on base. Orioles starter Blaine Gal-

braith kept Cubs off the scoreboard in the sixth to take an 8-4 lead into the bottom of the seventh. Then the roof fell in.

Gossen opened the inning with a walk, Shipanoff was safe on an error and Leddy and Guy Randall hit singles. Randall came home with the tying run when Orioles' attempted pick-off play at third base went sour.

Shipanoff gave up a lead-off single to Robbie Weller in the top of the extra inning, but retired the next three batters to give Cubs their chance to win it.

Dean Roy opened the inning with a single, stole second and advanced to third

as Gossen grounded out. Shipanoff, hitless his first four times up, dropped a single over third base to win it.

It was the fourth one-run margin in four meetings between the two teams this year. Cubs won three of the four, one of them another uphill battle as they trailed 13-3 after three innings, only to come back to win 14-13. They won 7-6 in nine innings and lost the other game 3-2.

Cubs now enter the provincial playoffs and are starting a fund drive to obtain much-needed bats and balls.

Alberta chosen site for International Ceramics Show

Alberta edged out Paris, France as site for the 1973 International Ceramic Exhibition and Conference which opens August 28 at the Alberta College of Art in Calgary. It is the first time that the International Academy of Ceramics has held an exhibit and conference in North America. The Exhibition in Calgary will be of one month's duration and the Conference will be

held in Banff, August 26-29, at the Banff Centre. The Alberta Pottery Association is co-sponsoring both the exhibition and conference.

The idea for the Alberta locale grew from an informal conversation at the 1970 Academy meeting in Prague, when Professor Santo Minosa of the University of Calgary suggested to Mr. Edgar Pelichet, president of

the Academy, that it was time for the annual exhibition-conference to be held in North America, and Mr. Pelichet was responsive to his suggestion that Canada be the locale.

Back home in Alberta Professor Minosa gained further support from colleagues and from the fact that Alberta potters were united in the APA, involving an impressive number of Albertans in serious ceramics. The province's Department of Culture, Youth and Recreation supported the pitch for the Calgary

site.

About 2,000 ceramics from 32 countries have been received with an astounding diversity of subjects, shapes, sizes, glazes and concepts. Jury members selecting items for the exhibit placed emphasis in individual entries, although accepting them from organizations as well. Medals accompanied by cash prizes will be officially presented to winners at the opening of the exhibit.

The exhibit will attempt to give an overview of ceramics in the world, and an impressive agenda of speakers,

workshops, demonstrations and films has been assembled.

Registration deadline is August 20 and fee is \$15. Interested people may write to - Ceramics International,

Division of Continuing Education, University of Calgary. A number of people from the St. Albert Arts and Crafts Guild are making to take in the exhibition,

Information Sought On Area RCMP History

The Midnight Twilight Tourist Association is sponsoring an RCMP centennial project. To assist in this extensive study, a government grant has been made available to the association. Several groups throughout Alberta are presently working on this project.

In the particular area of Zone 14, St. Albert to Fort Assiniboine and Athabasca, two researchers, Brother Andy Boyer, OMI and Margaret McRae are anxious to contact anyone who would be able to give any information (photos, documents, personal experiences etc.) pertaining to the early history of the RCMP. Please feel free to give them a call at 459-6691.

In 1910 the Laval University Forestry School was founded in Quebec.

There are only four species of Ash in Canada and sixteen in North America.

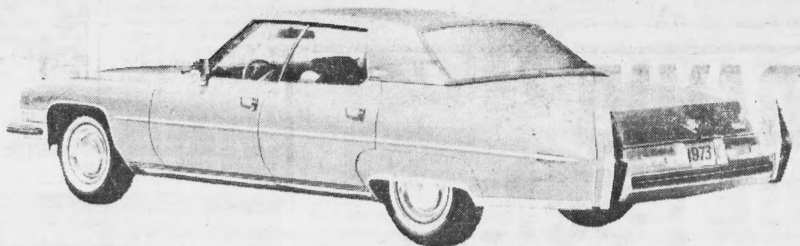

The action gets underway Friday night, July 27 and carries through on Saturday afternoon and Saturday night with lively entertainment lined up, including Jerry Weness and the Happy Wanderers on the bandstand and the Marigold Dancers Kick Line, scheduled for three performances each evening.

While getting together with old friends for a good time, folks will also be lending support to the community work of the Knights, including their handi-bus for handicapped children and their involvement in minor sports Saturday afternoon from 1 - 6 is the family entertainment time - plan to drop in after shopping.

Klondike Trail Riders 'Still Riding Along'

The Klondike Trail Riders who left Peace River June 28 have reached a point along the Klondike Trail called

Chalmer's Cabin, about 20 miles South of Kinuso, Alberta.

According to H. A. Black-

ie, secretary-treasurer of the town of High Prairie, the riders were expected in Grouard last Saturday or Sunday and the town's people had quite an elaborate welcome planned for the 20 plus Klondikers. Unfortunately, timing was off and the riders did not show up until Monday July 2. Late as the horsemen were, a good meal was quickly organized and they proceeded on their way to Jossard.

Thursday night, July 5 the trail riders, comprising of two RCMP officers from Grande Prairie and Fairview, three women, a youngster and 16 men rode into Chalmer's Cabin, located about 20 miles South of Kinuso. That night the famished riders were treated to an elaborate meal served by Kinuso members of the Royal Canadian Legion and Ladies Auxiliary.

According to Pete Seleniski, operator of Swan Valley Service in Kinuso, who was amongst the Legionnaires and Auxiliaries at Chalmer's Cabin to greet the riders, "we were pleased to see that all members of the 'posse' were doing real fine, despite a few saddle sores."

Mr. Seleniski said everybody enjoyed a good meal, refreshments and good fellowship at the rendezvous at Chalmer's Cabin. He also pointed out that the Klondike Trail Riders are nearing the end of the tough muskeg

portion of the trail. In fact Mr. Seleniski said that on Friday, July 6 when the riders reach Bear Mountain, that will be the last tough hurdle on the trail.

Next major stop will be Fort Assiniboine where the troop will be given a warm welcome, entertained, served hot meals and lodged the night of July 10. During the next seven days, travelling will be relatively easy since the riders will be past the rough, relatively uncharted 'badlands'. According to Mr. Seleniski of Kinuso, a staunch backer of the ride said that there's very little doubt the riders will encounter problems from Fort Assiniboine to St. Albert.

"It's good high ground all the way," Mr. Seleniski said, "and it will be quite easy going for the 'posse' to make it in St. Albert by the 17th."

Rollie Charbonneau, local co-ordinator of the riders once they reach St. Albert said plans are in the making to give the Klondike Trail Riders a warm welcome when they arrive here July 17th.

For those of our readers not familiar with details of the Klondike Trail Ride, about 20 riders, including two Mounties left the Town of Peace River June 28 to retrace the Klondike Trail which leads to St. Albert. The distance of approximately 300 miles was expected to be covered by July 17 when the troop will ride into St. Albert. The whole exercise is being done to commemorate the Klondike Trail of 1898, a route travelled by Mounties and the hardy gold rush trekkers who attempted to make it to Daw-

son City during the famous '98 Rush to the Klondike goldfields.

In Peace River Town on June 28 to see the hardy troop off on its 300 mile journey were: Hon. Robert Dowling, minister of consumer affairs; City of Edmonton Alderman Chester Tanner; Don Hayes representing Travel Alberta; Art Clough, Travel Industry of Alberta; Anna Cox, Klondike Kate and Dr. James MacGregor, chairman Alberta RCMP Centennial Celebrations Advisory Committee.

History of RCMP force graphically displayed in new Museum

Eight thousand treasured artifacts related to the RCMP's unique history will be preserved in a new and spacious museum now under construction at the Force's recruit training centre in Regina. The museum's official opening on July 4th, is a major event on the RCMP Centennial program.

The new 20,000 square foot building will replace the existing museum facility

that now fills 3,000 square feet in one of the centre's buildings. Its carpeted exhibit hall, 10,000 square feet in area, will feature graphic displays grouped under such headings as Settlement of the West, the Riel Rebellion the Yukon Gold Rush, World War I and the RCMP Today. They will relate to outstanding achievements of the Force, dramatic criminal cases, tragedies and adventures outlined in reports of its 15 Commissioners.

The faded uniform worn by Superintendent A. H. Criesbach, the first man to enroll in the North West Mounted Police, will be one of the museum's oldest exhibits. One of the nine-pounder guns hauled across the prairies on the Great March West

in 1874 will also be on view. Early conflicts and related episodes will be depicted in a series of paintings and drawings and with models.

An exhibit recalling the hunt for Albert Johnson, the Mad Trapper of Rat River will include his weapons and snowshoes. Also on display will be the personal belongings and espionage equipment of Nazi spy Werner Bonjanowski who was captured the day after he was landed in Quebec from a U-boat in 1942.

Other exhibits reflecting times of tragedy and triumph will include the 23-word will, written with charred wood by Inspector F. J. Fitzgerald, who perished in the ill-fated Dawson Patrol of 1911, and souvenirs of the historic voyage through the Northwest Passage of the RCMP schooner "St. Roch." Museum visitors will also see displays of Indian silk and beadwork, Eskimo carvings, "Man Wanted" posters and relics retrieved from the sites of some of the original NWMP forts.

To protect these and other rare exhibits from deterioration, the new museum

Quebec's 14,000 member 4H Clubs planted over 250,000 trees in 1972.

Forest fires start as a result of what people do or do not do.

building will be specially insulated and equipped with temperature and humidity controls as well as air-lock-type entrance doors. The exhibit hall will be on the main floor of the single-storey building as will a reference library and administration offices. Other features will include basement level storage rooms and vaults for artifacts not on display, and a conservation laboratory.

An RCMP museum open to the public without charge has existed since 1933. It was administered by force veterans until June 1969 when Malcolm Wake, a professional curator was appointed.

His first task as curator was to begin cataloguing every artifact in the museum.

This challenging job is already in its third year and will take years more to complete. A steady flow of artifacts continues to be

donated by Force members and private citizens.

The RCMP museum is a major tourist attraction in Regina. For example, in 1971, eight-two thousand visitors from all parts of the world toured the museum.

Gerry Dober Ex- Newfoundlander Takes Over Local Bottle Depot

Ross' Bottle Depot located at 301 St. Albert Trail has undergone two major changes in the past months. First it became a miscellaneous container depot earlier this Spring when Gerry Dober of Edmonton established that new business. Meanwhile Neil Ross continued operating his beer bottle franchise from the same premises until July 1 when the franchise was sold to Gerry Dober, making him co-owner of the whole bottle-purchasing complex and general manager.

Neil Ross, a resident of St. Albert and prominent businessman since 1937 operated Ross' Truck Service until 1967 at the time of his retirement.

Having been an active businessman all his life, Neil couldn't take too much leisure time and so generated quite an active business operating a beer bottle franchise. Neil and a couple of old friends became thoroughly involved in the beer franchise depot from 1967 and carried on a thriving business until the recent sale to Mr. Dober.

Gerry Dober, a personable native of Newfoundland was born and raised in Marystown and left in 1957 when he enlisted in the Queen's Own Rifles. As a member of this famous old

regiment, Gerry was subsequently posted to Calgary, Alberta then was shipped overseas. Upon his return to Canada in 1963, Gerry accepted his honourable discharge and came to Edmonton to work in the construction industry.

Soon after becoming well acquainted with the construction business, Mr. Dober started his own business, a firm specializing in roofing and painting. In 1972 Gerry left the roofing and painting business to take over as manager of an Edmonton bottle depot. About four months ago, Gerry acquired part-ownership of the bottle depot in St. Albert, then he and his partners purchased the Neil Ross beer bottle franchise.

The combined St. Albert One Stop Bottle Drop employs six permanent staff and an average of 8 to 10 part time youngsters. Mr. Dober said that the Bottle Depot will be operating daily from 8 a.m. to 8 p.m., Monday through Saturday and on Sundays, the depot will be in full swing from 10 a.m. to 6 p.m.

"Our motto is: Fast and Friendly Service," Mr. Dober said, "and we are anxious to employ needy youngsters. 'I had it tough when I was a youngster,' Mr. Dober remembers,

"and I'm most anxious to help boys and girls earn spending money, now that I'm in a position to employ them."

Mr. Dober revealed that the St. Albert Depot handles an average of \$1,000 per average day and during weekends, buy up to \$2,000 worth of bottles a day. "I'd say this is a pretty good local industry," Mr. Dober said.

Despite long hours at the depot, Mr. Dober plans to spend a lot of time with his family of eight children. He explained that his wife Lauretta and eight youngsters, the two youngest ones being three year old twins, enjoy visiting friends, camping and holidaying at the many local resorts for a family picnic. Although the Dober family lives in Edmonton at the moment, Gerry is busy making plans to move into his own home in St. Albert.

"O.K. Gerry! It's All Yours," Neil Ross, former owner of the St. Albert Bottle Depot sold to Gerry Dober (left) and tossed an empty case of bottles to the new owner after the agreement was signed July 1st. Mr. Dober has plans to make a few changes in the operation of the bottle depot while Neil, now fully retired, plans to make a trip to Sweden with his wife soon.

Napoleon Belleys Honoured on 50th Wedding Anniversary

About 300 relatives and friends from St. Albert and district joined in a happy celebration June 23, honouring Napoleon and Gertrude Belley on the occasion of their 50th wedding anniversary. The banquet and dance in St. Albert Community Hall were hosted by the children of the couple.

Mr. Bernie Montpetit, master of ceremonies, called upon Father Lafrance formerly of St. Albert parish and now at St. Jean's College, Edmonton, to open the proceedings by presenting an engraved and framed Papal Blessing to the couple, on behalf of Pope Pious 13th.

Blessing of the couple and grace were said by Father Colin Levangie, followed by the presentation of a gift of wedding rings by Andre, Victor and Michael Laderoute, triplet grandchildren of the Belleys.

During the dinner Mr. Romeo Riopel, accompanied by Antoinette Montpetit on the violin and Dan Vincent on the guitar entertained with an appropriate song.

Seated at the head table with the honoured couple were their attendants of 1923, bridesmaid Elzire Leblanc (nee Belley) and her husband Athanas, and best man Pat Montpetit and his wife Bernadette (nee Dechamplain); Father Levangie, Father Lafrance and Bernie and Fern Montpetit. A close friend of the family, Mr. Fred Henry proposed a golden wedding toast.

Master of ceremonies, Mr. Bernie Montpetit gave a humorous and interesting account of the history of the couple, recalling many amusing anecdotes, but ending on a serious vein to pay tribute to a "couple that exemplifies the highest ideals and moral principles, and God Bless the old fashioned traditions they honoured, making it a great privilege for me to greet them, along with their family and many good friends on this occasion."

A presentation of roses

was made by great granddaughter Dawn Belley and by grandchildren Lisa Riopel and Paul Bolduc.

Fabiola Hunting, the eldest, gave a reminiscence on behalf of the nine children, all of whom were present with their husbands and wives: Fabiola and Dick of Legal; Rod and Kate (nee Curry); Hector and Nanette (nee Boisvert); Laurette Lafrance and Ray; Maurice and Eloise (nee Carriere); Pauline Bolduc and Ray; Paul Belley, Alice Laderoute and Chuck, all of St. Albert, and Helen Riopel and Romeo of Morinville.

Following the gracious replies of Mr. and Mrs. Belley, the bands were introduced, being organized by Maurice from family members and friends, and a delightful evening of dancing concluded the celebrations. The emcee also pointed out the fact that it was a dual celebration, in that Ray and Laurette Lafrance were marking their 20th anniversary that day as well.

Gertrude Belley was born January 31st, 1906 at Orlean, Ontario, the second child in a family of eight, and daughter of Albert Montpetit and Anne Louise Barnabe. The family moved to Legal in September, 1920 and purchased a farm near the village.

Napoleon Belley, oldest son of Pierre Belley and Elzire Demers, was born June 13, 1900, at Tupper Lake, New York. The fam-

ily, which was to grow to 11 children, came to Legal in 1901 and made their first home in a log shack on top of the hill a mile east of Legal, which is still known as Belley Hill. At that time the village had not yet been established, but in a short while a log church was built, where Nap received his first communion. In 1918 the Belleys built a lovely staturesque home, which after 55 years still reflects the craftsmanship of the Belley family.

At the age of 22, Nap began the courtship that was to result in his marriage to Gertrude, which produced nine children, 32 grandchildren and four great grandchildren.

The young couple settled

on a farm one mile south of Belley Hill, which was to be their home for 23 years. Then came what they felt was the biggest decision of their lives, one which could result in ending their working lives with a nest egg - or a goose egg. With the full support and encouragement of his wife, Nap went into full time construction in Legal. The venture proved fully successful, and in excess of three million dollars of construction was completed by the time Mr. Belley retired in 1971.

The family moved to St. Albert in 1955, and have continued to make it their home since their retirement. Both are active, in fine health and enjoy travelling and the good life.

Napoleon and Gertrude Belley photographed in front of their home on Belmont Drive on their Golden Wedding Day.

Elmer Harrison New Breakfast Lion Head

Out-going Breakfast Lions President Stan Shottland, in his farewell talk last Tuesday before handing over the gavel to newly-elected president Elmer Harrison, reviewed the past 12 months of his tenure. Ex-president Stan thanked the

total membership, especially the devoted workers who helped the Breakfast Lions end up another term of office with a credit balance in the ledger.

Immediate-past president Shottland mixed praise with a gentle reprimand that morning attendance remained at a disappointing 50 per cent quite consistently throughout the year. Lion Stan urged the Breakfast Lions to roll out of bed on meeting days and be count-

ed. Despite the relatively low attendance figure, ex-president Stan announced that 18 Breakfast Lion members received 100 per cent attendance plus out of total membership of about 50.

President appreciation awards were made to Tom Flynn, Dr. W. Cuts, Eric Robinson, John H. Berdeau and John Kaminski. Certificates of appreciation were awarded to Ed Dunik, Harry Gaffney, Lorne Johnson, Fr. Jake Joly and Ovi Bril. The visiting pins have not been presented yet but at the moment ex-president Stan announced that eight or 10 members will be receiving 10 visitation pins while only about two or three will be getting their 25 visitation pins. Before bowing-out, Immediate-Past President Shottland again thanked his faithful Lion members for a successful year.

Incoming president Elmer Harrison promised the Breakfast Lions that the coming year would be another active one and made a special appeal to all members to get behind committee chairmen and push projects 100 per cent over anticipated objectives.

President Elmer was quick to announce several of his committee chairmen and added that other vacancies will be filled soon and announced Ways and Means chairman for the coming term is past-president Stan Shottland; Publicity Lawrence Fridmore; Bulletin Editor, John H. Berdeau; Senior Citizens, Chuck Meurin and Visitation Jack Hearnfield.

Before adjourning the meeting Lion President Elmer reminded all members that the annual senior citizen's picnic will be held July 15 at Elk Island Park.

Enuretic Counsellors Coming To St. Albert

Bed-wetting is still considered a subject not to be discussed openly and parents whose child suffers with this problem have a tendency to deal with the subject privately and often with tragic results.

The unfortunate parents get medical advice . . . they try punishment . . . they try to shame the child but only

in a few cases do these methods succeed.

Rarely is there anything medically wrong with the child, and as the frustrated parents try to deal with the problem the emotional difficulties multiply.

Consequently, the child tends to become more withdrawn or goes the other route and becomes a problem 'attention-getter' at school and at home.

The root of the problem, say researchers at McGill University in Montreal, after a four-year neurological clinical study, lies in sleep patterns.

The bed-wetting child has

what is known as a pattern of 'deep sleep' and it is here that Peter Mercer, Birmingham-born representative of an organization called United Enuretic Service Centre Ltd. of North Vancouver offers to get into the picture.

Reinforced by an impressive pile of testimonial letters, Mr. Mercer claims his firm has developed a method whereby the pattern of 'deep sleep' of the bed-wetting child can be turned into a pattern of normal sleep. Thereby, ending the embarrassing problem.

Mr. Mercer's clientele range in age from about seven years to 45 and claims to have a 98 per cent cure rate.

A team of highly skilled counsellors United Enuretic Service Centre Ltd., will be in St. Albert from July 11 until July 18 or later if required. Interested parents are urged to clip the advertisement appearing in this week's issue of The Gazette, fill out the coupon portion and mail to the address shown in the top portion of the ad.

Sturgeon General Hospital recently received their first pair of eyes for their new Eye Bank program, and these have been used in two transplants in the province.

Twenty-four or twenty-five exchange students will arrive by train late Saturday evening from Grand Falls, New Brunswick for a full week of activity planned for them and their St. Albert counterparts. The town will host a banquet for these in the Community Hall Sunday evening. They will visit the Game Farm, Elk Island Park the Klondike parade and

events Wednesday, tour Calgary and Banff before returning by air Sunday, with the St. Albert students. The St. Albert Lions will host a barbecue for them and the Knights of Columbus have a corn roast planned.

After all the excitement in the Chester Cunningham household following the ceremony when Chester was made a Chief of the Piegan Indian Band, it took his young daughter, Rosalie, to get things back in their proper perspective. "Good night Chief," she said on her way off to bed.

Gibbons Y.E.S. Service Starts

DEBBIE MITCHELL

Debbie Mitchell of Gibbons will be operating a Youth Employment Services office in Gibbons this summer. Debbie hopes that her Y.E.S. office will acquire jobs for youth as well as provide a

hiring service for the community and surrounding district. Any students who do not have employment for the summer should register with Debbie as soon as possible. She feels that she will be able to find full and part time jobs for fellow students.

Debbie would appreciate any persons (homeowners,

businessmen, farmers, construction workers) who are seeking someone to work for them this summer contacting her. She will have a student who is interested in your type of work. The job may last all summer or one hour and there will be someone there to do it.

This is an opportune time to get those jobs done that have been put off for months.

By Norma Crozier

Namao School and Community League will hold their annual Klondike Dance in the school auditorium on Friday, July 20 from 9-1:30 a.m. Music will be supplied by the Satellites. Snacks and lunch will be served. A "Kick line" of ladies from Morinville will perform during the

Mr. Leo Huber wishes to express his thanks to all coaches, managers and umpires for their help during the baseball season. Participation from parents and adults has been very discouraging and he is wondering about the future of baseball at Namao?

Sympathy of the district goes to Mr. and Mrs. Chesters Crozier and family in the loss of her sister, Mrs. Ron (Hazel) Bailey of Edmonton after a brief illness.

Mrs. Gladys Gibson is home from a three week holiday tour of Britain and Europe. She was accompanied by her sister and husband, Mr. and Mrs. Wilfred Nandorf and their daughter.

Mr. and Mrs. Hugh Craig and family are back home from a holiday through B.C. to the Coast.

Morin - Perreault Wedding

By Lucienne Montpetit

Legal St. Emile's Church was decorated with baskets of mixed flowers, with yellow and white roses at the altar for the June wedding of Bonnie Lynn Perreault, daughter of Mr. and Mrs. Marcel Perreault, to Marcel Morin, son of Mr. and Mrs. Arthur Morin all from Legal. Father Bissonnette, officiated for the triple ring ceremony.

The wedding music was played by Anita Chauvel with soloist Victor Douzdech.

The bride given in marriage by her parents, was lovely in her gown of silk organza. The bodice was trimmed with chantilly lace with sequins accenting the deep high collar. Chantilly lace decorated the organza skirt and edged the detachable train. Her long bridal veil trimmed with matching lace was held in place by a lace flowered cap crown. She carried a bouquet of yellow roses and white glads.

Bridesmaids Lee Perreault, sister of the bride, Doris Auger and Louise Belle wore identical floor length gowns of mauve organza over taffeta trimmed with white lace, complimented with white accessories. They carried dainty mauve umbrellas.

Best men were Cullen McGillis, Rene Perreault, brother of the bride and Larry Belle. Ushering the guests were Raymond Muller, Remi Morin.

To receive the guests, Mrs. Perreault chose a floor length blue flowered chiffon gown with white daisies en corsage. Mrs. Morin wore a pink flowered chiffon gown complimented by a corsage of white daisies.

MR. & MRS. MARCEL MORIN

A reception and dance was held at the Legal Community Hall with Robert Holzer as master of ceremonies. Paul Morin proposed a toast to the bride which was replied to by the groom with well chosen words, the groom in turn proposed a toast to the bridesmaids to which Cullen McGillis replied. Rene Perreault proposed a toast to the mothers. Out of town guests attending were from Quebec, Calgary, Whitecourt, Simonette River, Fort McMurray, Lac La Biche, Edmonton and surrounding districts.

The happy couple would

like to thank everyone for making their day one to be remembered forever.

Employers needed

The Editor:

I think the young people of Gibbons need something to do in the summer in the line of work. We have no types of services that can help students get jobs so I decided to open a Youth Employment Service office in Gibbons. I have some students who are registered but what I need now is some employers who are willing to employ these students for long or short term jobs during the summer. The students would be willing to do many small or large jobs, such as - mowing lawns, weeding gardens, or helping on the surrounding farms. I hope we have more co-operation for this summer or we may not be able to have such a service again.

Debbie Mitchell.

Time didn't allow for a whole evening's session since the group had some business to finalize.

A letter was read from

Cecile Berry won the door prize. Happy birthday was sung to Addie Thatcher and Betty Albrecht.

Elsa Lischewski brought the Still Craft rug which members will hook and also sell tickets on, to be raffled at the handicraft tea in October.

Would anyone wishing to write their story for Calahoo's history, together with pictures, please forward same to Mrs. Mary Dahelm Onoway, Alberta. Happy holidays folks, as we recess for July and August.

Mr. and Mrs. John Rak held a family reunion on June 24th at their home in Morinville, on the occasion of a visit from John's brother Tibor.

Tibor Rak and his wife Iile arrived from Hungary for a 10 week visit with the family. John had not seen his brother for 17 years and it was indeed a wonderful reunion.

Mr. and Mrs. Oscar Rak (John's other brother) travelled from Grimshaw for the celebration. Mr. and Mrs. Adolf Smode from Grande Cache were also present with their family. Mrs. Susan Smode is John's sister.

It was little Yvonne Rak that won the pony at the Frontier Daze draw so the children of course were all very excited about that too.

All persons who may have an interest in the Goshen Cemetery are asked to be on hand that day in order that no errors will be made with regards to cutting down some shrubs etc. Those who are going out to assist please bring the proper tools.

Morinville playgrounds are a beehive of activity

By Flo McGlinis

Each day, Monday through Friday from 9:30 a.m. till 4:00 p.m. there are planned activities for boys and girls of all ages in Morinville. The activities include arts and crafts, sports, games, drama, and even "Special Events" days.

This program will continue through July and August and has been planned for all ages.

The youngsters are free to come and go as they please, so they may attend in the morning only, or in the afternoon only, or both. There is no fee charged, as all equipment and materials is provided. However it is appreciated if such things as bottles, boxes, egg and milk cartons, newspapers and scraps of material could be donated. If your children are taking part, don't be too surprised if they come home looking for some odds and ends to take back with them for the next session.

All parents are welcome to attend along with the children and are indeed encouraged to do so as there is a need for some teens and adults to assist with such things as supervision, scorekeeping and refereeing. Parents are asked to drop in at the sports grounds and the International Building and view the project. Come out and see what your young people are doing and see how another "First for Morinville" is progressing. The Morinville Recreation Board does wish to point out that this is by no means a babysitting service, and since the children will be allowed to come and go as they please, all children un-

der six years of age must be accompanied by a responsible person.

The International Building will be used for the indoor activities and during inclement weather and all the children are expected to assist with the clean-up before they leave for the day.

A SUGGESTION TO MORINVILLE PARENTS: Take your child down to the sum-

mer playground program and see what is being done. Lend a hand for even one hour a week and make this a success so that a similar project may be carried out next year.

THE PLACE: Sports Grounds.
THE TIME: 9:30 a.m. to 4:00 p.m.

Gagnon-Labonte Wedding

By Liz McLeod

St. Albert United Church was the scene of a pretty afternoon wedding on June 16, when Miss Lucille Jo-Anne Labonte of Calahoo was united in marriage to Mr. John Allan Gagnon of Mission City, B.C.

Lucille is the eldest daughter of Edward and Bernice Labonte of Calahoo and John is the son of Mr. and Mrs. John Gagnon of Mission City, B.C.

Given in marriage by her father, the bride was radiant in a satin gown, styled with a high collar and long sleeves trimmed in a daisy design and she carried a bouquet of red roses with white carnations.

The Reverend Len Musto performed the ceremony before an altar bedecked with lilies.

The matron of honor, Mrs. Donna Berube and bridesmaids Barbie Berube and Debbie Ross wore identical gowns featuring short sleeves and white collars and cuffs with tinted flowers matching their ensemble, in yellow, pink and blue. White floppy hats completed their outfits.

The groom's attendants, Mr. Mike Gagnon of Mission City, Mr. Felix Berube and Mr. David Peel of Calahoo were dashing in their suits and the bride's brother Dale Labonte served as usher.

The reception was held in Stony Plain Community Hall where the wedding party received their guests.

For her daughter's wedding the bride's mother chose a pink and white long-sleeved floral print gown of chiffon over tulle with matching accessories.

Mrs. Gagnon wore a black and white print gown with black cape and a white orchid corsage.

The happy couple are making their home in Calahoo.

Out of town guests were John's family from Mission City, B.C., Lucille's aunt, Mrs. Edith Keller from Fort McMurray and Cindy Quintal from Ossoyoos, B.C.

During their stay in Morinville the Shepherds have been involved with a number of community activities. Marv is a member of the Morinville Community Sports Association and has been working hard towards the local goal of obtaining 'artificial ice'. His wife Diane managed the arena concessions during the past season and has been commended from all sides for a job well done. The two

CPL. MARY SHEPHERD boys were very active in hockey, Barry with the pee wee team and Bobby with the bantams. Both of these teams won trophies during the past season, and received awards on all sides.

Marv and his family will be dearly missed in the community, and have stated that they themselves will miss the closeness and 'pleasant atmosphere' of Morinville.

Cpl. Shepherd will be re-
